Give your child the gift of baseball with a holiday camp experience they won't soon forget! For 33 years, Cincinnati Baseball School has offered the number one Christmas camp in the tri-state area by teaching the "CBS System" - a method of coaching the fundamentals of the sport, while providing a fun and memorable experience.

The CBS System takes the guesswork out of baseball instruction, helping young athletes build muscle memory and learn proper mechanics. The System player develops all of their tools - hitting, fielding, throwing, pitching, baserunning, and mental toughness & tactical strategies. Moreover, the CBS System is fun and engaging, designed to be relevant and accessible for even the youngest players. Campers: There will be plenty of live batting practice and a scrimmage game at the end of the session.
